

The Cottonwood - L

3 Bedrooms and 2.5 Baths ♦ 1,625 sq. ft. of Living Space

A little slice of heaven all within 1,625 square feet! The Cottonwood, by Village Building Company, is compact yet loaded with great features! The entire first floor has taller, contemporary ceilings measuring 9 feet for that spacious feeling everyone wants in today's market. An inviting great room sits off the foyer and showcases a popular gas fireplace with wood mantel. Bright windows allow the outside to shine in at both ends of the great room. You're sure to find the kitchen layout pleasing for the chef in your family with its pantry closet, corner sink, and open design to the dining area. A 1st floor laundry room, 1/2 bath and 2-car garage complete the main level. The 2nd level has 3 bedrooms and 2 full baths. One of these full baths is a private bath for the master suite. It has a dual-sink vanity, a tub/shower unit and a walk-in closet. The second full bathroom also has a convenient dual-sink vanity.
