

The Dogwood - L

4 Bedrooms and 2.5 Baths ♦ 2,039 sq. ft. of Living Space

Welcome home to the dynamite floor plan of the Dogwood by Village Building Company! From the attractive front elevation and virtuously maintenance-free exterior to the vaulted great room ceiling and 2nd floor balcony, this dazzling, contemporary floor plan is sure to impress you! The master suite on the 1st floor sits at the back of the house and comes complete with an enormous walk-in closet and spa-like, private bath. A dual-sink vanity, garden tub & walk-in shower are ready to pamper you! The kitchen/dinette area is surprisingly spacious and has direct access to the formal dining room plus an opening above the sink into the great room. Upstairs are 3 additional bedrooms and a full bath. Plus, you'll have a bird's-eye view from the striking balcony overlooking the great room from the 2nd floor. Also standard with this floor plan is a 1st floor laundry room and a 2-car garage.

Be sure to ask our sales associates about other fine amenities available!
